**Section 2. Delegation of Use.** Any Member may delegate in accordance with the By-Laws of the Association, his right to enjoyment to the Common Properties and facilities to the members of his family, his tenants, or contract purchasers who reside on such Members' Lot.

**Section 3. **Section 4. Extent of Members' Easements.** The rights and easements of enjoyment created hereby shall be subject to the following:

(a) The right of the Association, in accordance with its Articles of Incorporation, to borrow money for the purpose of improving the Common Properties and in aid thereof to mortgage said properties subject to the provisions of Article XI, Section 2 of this Declaration. The right to borrow money must be subordinated to the Declaration. The Association may not use easement property as security for any loan.

(b) The right of the Association to take such steps as are reasonably necessary to protect the Common Properties against foreclosure; and

(c) The right of the Association to give, sell or lease all or any part of the Common Properties to any public agency,

authority, or utility for such purposes and subject to such conditions as may be agreed to by the Members, provided that no such gift, sale or lease shall be effective unless authorized by the vote of two-thirds (2/3) of the members of each class of Members at a duly called meeting and unless written notice of the proposed action is sent to every Member at least twenty (20) days in advance of any action taken. A true copy of such resolution together with a certificate of the result of the vote taken and a certificate of mailing executed by the Secretary of the Association or the managing agent and such certificate shall be annexed to any instrument affecting the Common Properties prior to the recording thereof. Such certificates shall be conclusive evidence of authorization by the membership.

### **ARTICLE III - MEMBERSHIP**

Every person or entity who is a record owner of a fee or undivided fee interest in any Lot which is subject to this Declaration, including contract sellers, shall be a member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of an obligation. No Owner shall have more than one membership per Lot. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to the Declaration. Ownership of such Lot shall be the sole qualification for membership. The Board of Directors may make reasonable rules as to proof of ownership of a Lot.

### **ARTICLE IV - VOTING RIGHTS**

**Section 1.** Voting rights shall be as defined in the Master Declaration.

**Section 2. Voting Right Suspension.** The right of any Member to vote may be suspended by the Board of Directors for just cause pursuant to its rules and regulations and for any period

during which any assessment of a member remains unpaid according to the provisions of the By-Laws.

## **ARTICLE V - PROPERTY RIGHTS**

**Section 1. Members' Easements of Enjoyment.** Every member shall have a right and easement of enjoyment in and to the Townhome Common Area (including access, ingress, and egress to and from public streets and walkways) and such easement shall be appurtenant to and shall pass with the title to every assessed Lot, subject to the following provisions:

(a) The right of the Association, in accordance with its Articles and Bylaws and with the assent of members entitled to cast two-thirds (2/3) of the votes of the entire Class A membership and two-thirds (2/3) of the entire Class B membership, if any, to borrow money for the purpose of improving the Common Area and facilities and in aid thereof to mortgage said property unless prohibited by law, and the rights of such mortgagee in said properties shall be subordinate to the rights of the homeowners hereunder;

(b) The right of the Association to dedicate or transfer all or any part of the Common Area to any public agency, authority, or utility for such purposes and subject to such conditions as may be agreed to by the Members; provided, however, that no conveyance of any portion of the Common Area shall deprive any Member of the full use thereof. No such dedication or transfer shall be effective unless an instrument signed by Members entitled to cast two-thirds (2/3) of the votes of the Class A membership and two-thirds (2/3) of the votes of the Class B membership, if any, has been recorded, agreeing to such dedication or transfer, and unless written notice of the proposed action is sent to every Member not less than 30 days nor more than 60 days in advance.

(c) The right of the Association to transfer portions of the common area to the Declarant under circumstances whereby the Declarant or a builder has inadvertently placed a lot or constructed a townhome which encroaches into the common area. In such cases the Declarant shall deed back to the Association an equal amount of common area.

**Section 2. Exchange of Conveyance of Common Property.** Subject to the applicable legal requirements, the Association,

upon request of the Declarant during the Development Period, shall reconvey portions of the Common Property to the Declarant

**Section 3. Restricted Parking Rights.** No boats, trailers, campers, motor homes, limousines, trucks, tractors or similar personal property owned by a Member, his guests, family members or tenants shall be parked within the right of way of any public or private street in or adjacent to the Townhome Property; nor shall any of these be parked on the Properties except in an enclosed garage, or in areas if any designated by the Association. Members shall keep their garage doors closed at all times excepting ingress and egress into and out of said garage. The Association shall have the right to adopt appropriate rules for the temporary parking of these items on the Properties.

**Section 4. Antennas and Satellite Receiving Devices.** The erection of antennas and/or satellite receiving devices of any kind in excess of twenty inches in width on individual Lots shall be prohibited. The placement of all such devices shall be specifically approved by the ACC. The granting of permission to certain townhome owners to erect an antenna or satellite device shall not be deemed consent or permission for other owners to erect the same or similar devices. The ACC should take into consideration the aesthetics of the placement of any such devices as to other owners and the general public, and the overall effect on the Properties.

#### **ARTICLE VI COVENANT FOR MAINTENANCE ASSESSMENTS**

**Section 1. Creation of the Lien and Personal Obligation of Assessments.** The Declarant, for each Lot owned within the Townhome Property, hereby covenants, and each Owner of any Lot by acceptance of a deed therefore, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association, in addition to any assessments imposed pursuant to the Master Declaration, the following charges:

1. annual assessments or charges, and
2. special assessments for capital improvements, such assessments to be established and collected as hereinafter provided. The annual and special assessments, together with interest, costs, and reasonable attorneys fees, shall be a charge on the land and shall be a continuing lien upon the property

against which each such assessment is made. Each such assessment, together with interest, cost and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for the delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

**Section 2. Purposes of Assessments.** The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety and welfare of the residents of the Townhome Property and in particular for the acquisition, improvement and maintenance of properties, including the maintenance, repair and reconstruction of any easements situated on the Common Area required by the City of Durham. Assessments are also to be used for services and facilities devoted to this purpose and related to the exterior maintenance of the residences situated upon the Townhome Property or for the use and enjoyment of the Common Area, including but not limited to, the cost of repairs, replacements and additions, the cost of labor, equipment, materials, management and supervision, the payment of taxes and public assessments assessed against the Common Area.

**Section 3. Exterior Maintenance and Exclusions.** In addition to maintenance of the Common Area, the Association shall provide exterior maintenance upon each Lot which is subject to assessment hereunder, as follows: paint, repair, replace and care of roofs, gutters, downspouts, exterior building surfaces, trees, shrubs, grass, walks, mailboxes, fences installed by Declarant or the Association, exterior post lights (excluding electricity therefor), and other exterior improvements. Such exterior maintenance shall not include glass surfaces, or the repair or reconstruction of any improvements on any Lot, the cost of which repair or reconstruction would be covered by casualty insurance, whether or not a policy of casualty insurance is in effect. Further, the owner of any Lot may, upon approval from the ACC, plant trees, shrubs, flowers and grass in his rear yard and may also maintain portions or all of his rear yard provided that such maintenance by the owner does not hinder the Association in performing its maintenance of the exterior of the house and the remaining yard spaces. No such maintenance by a Lot owner shall reduce the assessment payable by him to the Association. If, in the opinion of the Association any such owner fails to maintain his rear yard in a neat and orderly manner, the Association may revoke the owner's maintenance rights for a period not to exceed

one year. The Owner shall not plant any vegetation in the front yard except with the prior written approval of the ACC.

In addition to those items excluded from maintenance and repairs by the Association hereinabove described, the maintenance responsibility of the Association shall not include garage doors and all other doors of whatever nature and wherever located, windows, window screens, decks and stairs and driveways in their entirety.

(As a matter of information to future members of this Association, the builder building residences on the Townhome Property has it as a part of the original plan of development to construct a variety of dwellings with a variety of exteriors for the good of the entire subdivision. Some dwellings will require more maintenance than others because of the types of exterior exposures. Nevertheless, in order to avoid monotony and in order to achieve a harmony of design and textures, all of those connected with the design, construction and financing of these townhomes are in accord in their belief that all members of the Association will be benefitted by the variety of exteriors and, therefore, the Association should provide exterior maintenance and make a uniform rate of charge without regard to the actual cost of maintenance of each dwelling.)

In the event that the need for maintenance or repair is caused through the willful or negligent act of the Owner, his family, or guests, or invitees, the cost of such maintenance or repairs shall be added to and become a part of the assessment to which such Lot is subject.

#### **Section 4. Amount of Assessment.**

**(a) Initial Assessment.** To and including December 31, 2000, the initial annual assessment shall not be in excess of One Hundred Ten & 00/100 Dollars per month per Lot in Use, the exact amount of which shall be determined from time to time as provided in subsection (d) of this Section 4. This initial assessment shall include any assessment required pursuant to the Master Declaration.

**(b) Increase by Association.** From and after December 31, 2000, the annual assessment effective for any year may be increased from and after January 1 of the succeeding year by the Board of Directors, without a vote of the membership, by a

percentage which may not exceed the greater of ten percent (10%) or the percentage increase reflected in the U.S. City Average, Consumer Price Index - United States and selected areas for urban wage earners and clerical workers, all items most recent index and percentage changes from selected dates (published by the U.S. Bureau of Labor Statistics, Washington, DC), or such other Index as may succeed the Consumer Price Index, for the twelve-month period ending the immediately preceding October 1.

**(c) Increase by Members.** From and after December 31, 2000, the annual assessment may be increased by a percentage greater than permitted by this Article by an affirmative vote of two-thirds (2/3) of each class of members who are voting in person or by proxy, at a meeting duly called for such purpose, written notice of which, setting forth the purpose of the meeting, shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. The limitations herein set forth shall not apply to any increase in assessments undertaken as an incident to a merger or consolidation in which the Association is authorized to participate under its Articles of Incorporation.

**(d) Criteria for Establishing Annual Assessment.** In establishing the annual assessment for any subsequent assessment year after the year 2000, the Board of Directors shall consider all current costs and expenses of the Association, any accrued debts, and reserves for future needs, but it may not increase the annual assessment in an amount in excess of the greater of ten percent (10%) or the sums derived by application of the consumer Price Index formula provided in subsection (b) without the consent of the Members required in subsection (c) of this Section 4.

**(e)** Each Lot owner, excepting the Declarant and those persons or entities in the house building business, shall pay the sum equal to two (2) months' Association dues into a working capital fund of the Association at the time of transfer of said Lot to said owner.

**Section 5. Special Assessments for Capital Improvements.** In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the costs of construction or reconstruction, unexpected repair, or replacement of a described capital improvement upon the common area, including the necessary fixtures

and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of each class of members who are voting in person or by proxy at a meeting duly called for this purpose, written notice of which, setting forth the purpose of the meeting, shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. The amount of the proposed assessment need not be stated.

**Section 6. Uniform Rate of Assessment.** Both annual and special assessments must be fixed at a uniform rate for all Lots and Lots in Use, on a per Lot and per Lot in Use basis, and may be collected on either a monthly, quarterly, semi-annual or annual basis.

**Section 7. Quorum for any action authorized under Sections 4 or 5.** At the first meeting called, as provided in Section 4 or 5 of this Article, the presence at the meeting of members or of proxies entitled to cast sixty percent (60%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, subsequent meetings may be called, subject to the notice requirement set forth in Sections 4 or 5, and the required quorum at any such subsequent meeting shall be one-half ( $\frac{1}{2}$ ) of the required quorum at the next preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the next preceding meeting.

**Section 8. Date of Commencement of Annual Assessments: Due Dates.** The annual assessments provided herein for Lots in Use may be paid in installments and the payment of such shall commence as to each Lot in Use on the first day of the first month following the date on which the first lot has become a Lot in Use. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every owner subject thereto. The due dates shall be established by the Board of Directors. The Association, upon demand at any time, shall furnish a certificate in writing signed by an officer of the Association or by its management company, setting forth whether the assessments on a specified lot have been paid. A reasonable charge may be made for providing this information. A properly executed certificate of the Association

or its Management Company as to the status of assessments on a lot is binding upon the Association as of the date of its issuance.

**Section 9. Effect of Nonpayment of Assessments: Remedies of the Association.** Any assessments or portion thereof which are not paid when due shall be delinquent. The Board of Directors of the Association shall have the power to establish when dues and assessments are delinquent and the late charges or penalties as a result of any delinquencies, and the rate of interest applicable to late payments. The Association may bring an action against the Owner personally obligated to pay the same, and interest, costs, late payment charges and reasonable attorney's fees resulting from any such action shall be added to the amount of such assessment. If any law permits the filing of a lien and the foreclosure of such lien, or other similar action, as a method of enforcement of the Association's right to collect assessments, the Association may use such remedy. No Owner may waive or otherwise escape liability for the assessment provided for herein by non-use of the common area or abandonment of his Lot. In addition, the Association may suspend the enjoyment of the rights of any Owner or any tenant of an Owner for any period during which any assessment remains unpaid, it being understood that such suspension shall not constitute a waiver or discharge of the Owner's responsibility to pay said assessment.

**Section 10. Fines.** The Board may impose a fine against any Lot Owner for violating the provisions of the Master Declaration or this Declaration, in accordance with the provisions of N.C.G.S. §47F-3-107.1 and such fine shall be treated as a Special Assessment otherwise due to the Association, and as such will be a lien against the Owner's Lot. A fine shall be paid not later than thirty (30) days after the decision imposing the fines. The fine shall not be construed to be exclusive, and shall exist in addition to all other rights and remedies to which the Association may be otherwise legally entitled; provided, however, that any fine paid by the offending Owner(s) shall be deducted from or offset against any damages that the Association may otherwise be entitled to recover by law from such Owner. A fine shall not exceed \$150.00 for each day after the decision that a violation occurs until the violation or delinquency is cured.

**Section 11. Effect of Nonpayment of Assessment.** If an assessment is not paid when due, the Association may bring an action at law against the Owner personally or foreclose the lien against the Lot, and there shall be added to the amount of such

assessment the costs of collection, including reasonable attorneys' fees and expenses, and interest as established by the Board. No Owner may waive or escape liability for the assessments provided for herein by non-use of the Common Property or abandonment of his Lot. Each Owner, by his acceptance of a deed to a Lot, hereby expressly vests in the Association, or its agents or assigns, the right and power to bring all actions against such Owner or Member personally liable for the collection of such charges as a debt and to enforce the aforesaid lien by all methods available for the enforcement of such liens, including foreclosure by an action brought in the name of the Association in a like manner as a mortgage or a deed of trust lien on real property, and such Owner hereby expressly grants to the Association a power of sale in connection with foreclosure of said Lien. The Lien provided for in this action shall be in favor of the Association and shall be for the benefit of all other Owners.

**Section 12. Subordination of the Lien To Mortgages.** The lien of the assessments provided for herein on any Lot shall be subordinate to the lien of any first mortgage on such Lot. The transfer of any Lot pursuant to such mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

**Section 13. Exempt Property.** Any portion of the Property dedicated to, and accepted by, a local public authority and all properties owned by a charitable or non-profit organization exempt from taxation by the laws of the State of North Carolina shall be exempt from the assessments created herein, except no land or improvements devoted to dwelling use shall be exempt from said assessment.

**Section 14. Omission of Assessments.** The omission of the Board, before the expiration of any year, to fix the assessments hereunder for that or the next year, shall not be deemed a waiver or modification in any respect of the provisions of this Declaration, or a release of any Owner from the obligation to pay the assessments, or any installment thereof for that or any subsequent year, but the assessment fixed for the preceding year shall continue until a new assessment is fixed.

**Section 15. Responsibility for Maintenance of Private Streets and Driveways.** The maintenance responsibility of any private streets and driveways as shown on the aforesaid recorded map and any subsequent recorded maps made subject to prior Declarations shall rest with the Association pursuant to the provisions of the City of Durham Code, which code provided substantially in part that in no case shall the City of Durham be responsible for failing to provide any emergency or regular fire, police, or other public service to the Townhome Property and/or occupants when there is a blocking of access routes, or any other factor within the control of the developer, the Association, or occupants.

#### **ARTICLE VII - PARTY WALLS**

**Section 1. General Rules of Law to Apply.** Each wall which is built as a part of the original construction of the townhomes upon the Property and placed on the dividing line between the Lots and all reconstruction or extensions of such walls shall constitute party walls, and, to the extent not inconsistent with the provisions of this Article, the general rules of law regarding party walls, lateral support in below ground construction and of liability for property damage due to negligence or willful acts or omissions shall apply thereto.

**Section 2. Sharing of Repair and Maintenance.** The cost of reasonable repair and maintenance of a party wall shall be shared by the Owners who make use of the wall in proportion to such use.

**Section 3. Destruction by Fire or Other Casualty.** If a party wall is destroyed or damaged by fire or other casualty, any Owner who has used the wall may restore it, and if the other Owners thereafter make use of the wall, they shall contribute to the cost of restoration thereof in proportion to such use without prejudice, however, to the right of any such Owners to call for a larger contribution from the others under any rule of law regarding liability for negligent or willful acts or omissions. The Association shall have the option to require all members to utilize the same insurance company for fire and other casualty insurance. In such event, every member shall be responsible for payment of the deductible required under said policy of insurance.

**Section 4.** The owner of any Lot may construct, reconstruct, repair, or extend a party wall in any direction (subject to and within the limitations of architectural control and other

limitations of these Covenants) with the right to go upon the adjoining Lot to the extent reasonably necessary to perform such construction. Such construction shall be done expeditiously. Upon completion of such construction, such owner shall restore the adjoining Lot to as near the same condition which prevailed on it before the commencement of such construction as is reasonably practicable.

**Section 5. Weatherproofing.** Notwithstanding any other provision of this Article, an Owner who by his negligent or willful act causes the party wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements.

**Section 6. Right to Contribution Runs with Land.** The right of any Owner to contribution from any other Owner under this Article shall be appurtenant to the land and shall pass to such Owner's successors in title.

**Section 7. Certification by Adjoining Property Owner That No Contribution is Due.** If any Owner desires to sell his property, he may, in order to assure a prospective purchaser that no adjoining property owner has a right of contribution as provided in this Article V, request of the adjoining property owner or property owners a certificate that no contribution exists, whereupon it shall be the duty of each adjoining property owner to certify whether or not a claim of contribution exists.

**Section 8. Arbitration.** In the event of any dispute arising concerning party wall, or under the provisions of this Article, such dispute shall be settled by arbitration as provided by the laws of North Carolina, relating to arbitration as then existing.

#### **ARTICLE VIII - ARCHITECTURAL CONTROL**

**Section 1.** The Architectural Control Committee ("ACC") shall be as defined by the Master Declaration.

Except for the initial dwelling structure constructed on a Lot by Declarant in accordance with Declarant's general plan of development, which initial dwelling structure shall be exempt from the following approval process, so long as the plans and specifications therefor are in strict conformity with those previously approved by the Federal National Mortgage Association, Veterans Administration or Federal Housing Administration, as the

case may be, no building, flags, sign, except builder's signage, fence, outside lighting, hedge, wall, walk, antenna, clothesline or other structure or planting shall be constructed, erected or planted until their plans and specifications showing the nature, kind, shape, height, elevation, materials, floor plans, color scheme, and location with respect to the topography and finished ground elevation shall have been submitted to and approved in writing by the ACC. The ACC shall have the right to refuse to approve any plans and specifications which are not suitable nor desirable, in its sole discretion, for aesthetic or any other reasons, provided such approval is not unreasonably withheld. In approving or disapproving such plans and applications, the ACC shall consider the suitability of the proposed building, improvements, structure or landscaping that is proposed to be erected, the harmony thereof with the surrounding area and the effect thereof on an adjacent or neighboring property. In the event the ACC shall fail to specifically approve or disapprove the plans and specifications submitted in final and complete form within forty-five (45) days after written request for final approval or disapproval, such plans and specifications shall be deemed approved.

There is specifically reserved unto the ACC, the right of entry and inspection upon any Lot for the purpose of determination by the ACC whether there exists any construction of any improvement which violates the terms of any approval by the ACC or the terms of this Declaration or of any other covenants, conditions and restrictions to which its deed or other instrument of conveyance makes reference. The ACC and the Board of Directors is specifically empowered to enforce the provisions of this Declaration by any legal or equitable remedy, and in the event it becomes necessary to resort to litigation to determine the propriety of any constructed improvements, or to remove any unapproved improvements, the prevailing party shall be entitled to recovery of all court costs, expenses and reasonable attorney's fees in connection therewith.

The Association, Declarant, ACC or any officer, employee, agent, director or member thereof shall not be liable for damages to any persons submitting plans and specifications for approval by reason of mistake in judgment, negligence or nonfeasance arising out of or in connection with the approval, disapproval or failure to approve any plans and specifications. Every person who submits plans and specifications for approval agrees, by submission of such plans and specifications, that it will not bring any action

or suit against the Association, Declarant or ACC to recover any such damages.

Section 2. If, in the event information submitted to the ACC is, in its opinion, incomplete or insufficient in any manner, it may request and require the submission of additional or supplemental information.

Section 3. Unless specifically excepted by the ACC, all improvements for which approval of the ACC is required under this Declaration shall be completed within a reasonable time from the date of commencement of said improvements or within the time set by ACC in the event that the approval is so conditioned.

Section 4. The ACC shall in all cases have the right to determine and designate building set back lines necessary to conform to the general plan of the project, in order to preserve the integrity of the Townhome Property. In this respect the ACC's judgement and determination shall be final and binding.

Section 5. A majority of the ACC may take any action of the committee and may designate a representative to act for it. In the event of death, disability or resignation of any member of the ACC, the Board of Directors shall designate a successor.

Section 6. The ACC may adopt additional guidelines along with rules and regulations as it deems necessary to carry out its functions and purposes hereunder, provided all such rules and regulations shall be approved by the Board of Directors and made a part of this Association's Book of Resolutions.

Section 7. The Association may impose reasonable fees and charges upon Owners applying for architectural control approval to enable it to carry out its functions.

Section 8. In an instance where a structure has been erected, or the construction thereof is substantially advanced, in such manner that the same violates the restrictions contained in this Declaration or any other covenants which the ACC has the power to enforce, or in such manner that the same encroaches on any easement area or setback line, the ACC reserves the right, but not the obligation, to release the property from the restriction which it violated and to grant an exception to permit the encroachment by the structure over the setback line or on the easement area, so long as the ACC, in the exercise of its sole

discretion, determines that the release or exception will not materially and adversely affect the health, safety and appearance of the Townhome Property.

The ACC has the right, but not the obligation, to grant waivers for minor deviations and infractions of this Declaration. The granting of any waiver for any portion of the Townhome Property may be given or withheld in the ACC's sole discretion and a prior grant of a similar waiver shall not impose upon the ACC the duty to grant new or additional requests for such waivers.

Any exceptions granted by the ACC shall not relieve the property owner from the responsibility from obtaining the consent of easement holders and local governmental authorities.

#### **ARTICLE IX - USE RESTRICTIONS**

**Section 1. Rules and Regulations.** The Board of Directors of the Association shall have the power to formulate, amend, publish and enforce reasonable rules and regulations concerning the use and enjoyment of the front yard space of each Lot and the Townhome Common Area. (f) No owner shall display, or cause or allow to be displayed, to public view any sign, placard, poster, billboard or identifying name or number upon any building or any portion of the Common Area and facilities, except as allowed by the Association pursuant to its Bylaws or as required by the ordinances of the City of Durham; provided, however, that the Declarant may authorize "For Sale" or "For Rent" signs the size and shape of which is commonly displayed by real estate firms in Durham on any unsold or unoccupied dwellings in suitable places on the Common Area; provided, however, that during the development of the Property and the marketing thereof, the Declarant or its agents may maintain a sales office and may erect or display such signs as the Declarant deems appropriate as aids to such development marketing, provided that such signs do not violate any applicable laws.

If it is necessary for "no parking" signs to be erected in order to accomplish this, this shall be done at the expense of the Association as a common expense.

In no case shall the municipality or other agency which provides emergency or regular fire, police or other public service for the Townhome Property, be responsible for failing to provide any such service to the Townhome Property or any of its occupants when such failure is due to the lack of access to such areas or any other factor within the control of the developer, Association, or occupants.

**Section 2. Enforcement.** The Association, or any Owner, shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens, and charges now or hereafter imposed by the provisions of this Declaration. Failure by the Association or by any owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

**Section 3. Insurance.** The Board of Directors shall procure and maintain adequate liability and hazard insurance on Property owned by the Association, and also Directors and Officers coverage. Liability insurance shall be procured and maintained in the minimum amount of One Million Dollars (\$1,000,000).

**Section 4. Severability.** Invalidation of any one of these covenants or restrictions by judgment or court order shall in no way affect any other provisions, which are hereby declared to be severable and shall remain in full force and effect.

**Section 5. Exchange of Common Area.** The Association, acting through its Board, from time to time may exchange with the Declarant or any member a portion of the Townhome Common Area for a portion of the real property owned by such member within the Townhome Property provided that the real property acquired by the Association in exchange: (a) is free and clear of all encumbrances except the Declaration, and easements for drainage, utilities and sewers; (b) is contiguous to other portions of the Common Area; (c) has approximately the same area and utility as the portion of the Common Area exchanged; and (d) has been approved by the City of Durham Planning Department to assure that the provisions of the City of Durham Code are not being violated. The real property so acquired by the Association shall be a part of the Common Area, and without further act of the Association or membership, shall be released from any provisions of the Declaration except those applicable to the Common Area. The portion of the Common Area so acquired by Declarant or a member, without further act of the Association or membership, shall cease to be Common Area and shall be subject to those provisions of the Declaration that were applicable to the real property conveyed to the Association by the member.

**Section 6. FHA/VA Approval.** Notwithstanding any provision in this instrument to the contrary, as long as there is a Class B membership, and if Declarant desires to qualify sections of this subdivision for Federal Housing Administration, Veterans Administration, Fannie Mae or other similar agencies (but not otherwise), the following actions will require the prior approval of Federal Housing Administration, Veterans Administration, Fannie Mae or other similar agencies: annexation of additional properties, dedication of Common Areas, exchange of Common Area for other portions of the Townhome Property, and amendment of this Declaration of Covenants, Conditions and Restrictions.

**Section 7. Amendment.** The covenants, conditions and restrictions of this Declaration shall run with and bind the land for a duration the same as the Master Declaration, including extensions thereto. This Declaration shall be modified or amended only in compliance with the provisions of the Master Declaration, except that those members eligible to vote thereon shall be limited to the Declarant and Owners of Townhome Lots only. Amendments shall be certified as an official act of the Association and shall forthwith be recorded in the Durham County Registry. All amendments shall become effective upon recordation.

**Section 8.** If any amendment to these covenants, conditions and restrictions is executed, each amendment shall be delivered to the Board of Directors of this Association. Thereupon, the Board of Directors, shall, within thirty (30) days do the following:

(a) Reasonably assure itself that the amendment has been executed by the Owners of the required number of Townhome Lots. (For this purpose, the Board may rely on its roster of members and shall not be required to cause any title to any Lot to be examined);

(b) Attach to the amendment a certification as to its validity, which certification shall be executed by the Association in the same manner that deeds are executed. The following form of certification is suggested.

**Section 10. Amendment to Achieve Tax-Exempt Status.** The Declarant, for so long as it shall retain control of the Association, and, thereafter, the Board of Directors, may amend this Declaration as shall be necessary, in its opinion, and without the consent of any owner, to qualify the Association or the Property, or any portion thereof, for tax-exempt status.
